pics@photobooksrus.

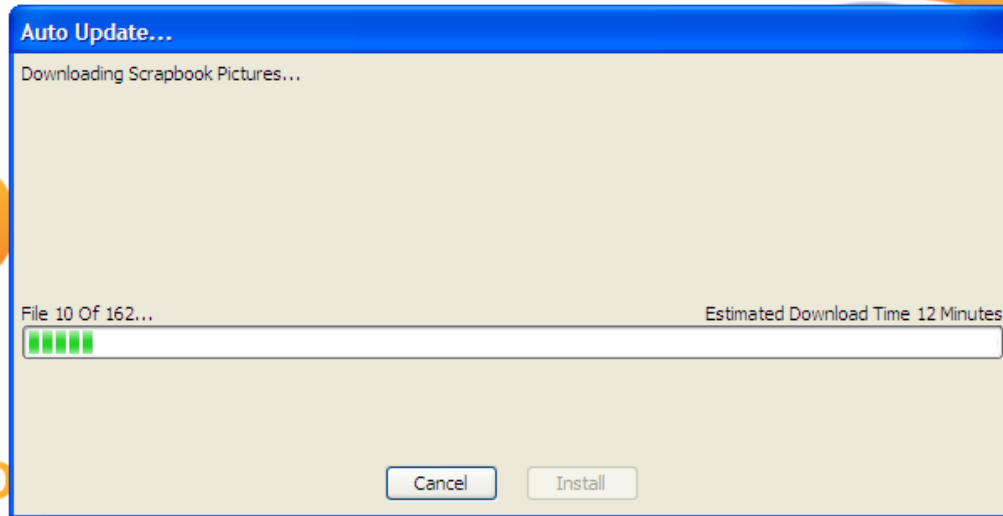

/3.2.0 (3.2.0) - Tuesday, 1 May 2012

Once the Software has completed its check it will give you a list of items that need to be updated. This list changes depending on how old the version of software is that you currently have. The Application Data needs to be updated on its own, any Products, Masks, Background etc can be Updated together. The time for this procedure to complete is dependant upon your internet connect speed. It can take anywhere from a couple of Minutes to Half an hour or more.
